

Help Widget – OnAIR Portal

Last Modified on 04/18/2023 8:08 pm EDT

The Help section allows you to personalize the Help Widget that is provided in the Portal. The HTML options lets you create any type of Help document that your attendee would see if they click on the Help icon on the top right corner of the Portal.

Help Settings

- **Heading** — enter the heading for your help page here
 - **Content** — enter any help content in the HTML Editor here. A list of default FAQ entries are provided for your convenience, and you are able to edit, delete or modify this default content as you need
-
