

Tips for going on-site (incl. videos)

Last Modified on 07/10/2024 2:08 am EDT

Preparing to go onsite for your events and meetings is much easier with our tools and tips! To get an overview of how to prepare, read our complete guide [Preparing to Go Onsite](#), including a checklist and recommendations.

You can read the FAQs from our 2022 “Going Onsite” educational seminar [here](#).

The videos below are from the Going Onsite seminar. Each includes step-by-step instructions, and the video has chapters so you can jump straight to the section you want.
