NOTE: EventsAir Version 16 is here and if you've already updated, this video won't look exactly the same. In the newer version:

- **The event selection screen (opening screen)** is cleaner, and Global Tools are under the Menu button.
- **The Navigation menu (in an event)** is on the left-hand side .
- **Some tools have now been grouped** (e.g. Attendee Action Buttons in the Attendees Panel are now all under the "Actions" button, top right).

After a changeover period, all our videos will be updated.
