

# Getting Started with EventsAir Pay

Last Modified on 12/06/2023 9:13 pm EST

EventsAir Pay, powered by AirWallex, is a payment gateway that can be easily integrated into your registration sites to give your attendees a faster, more secure, and more streamlined payment process.

- EventsAir Pay supports credit/debit cards, Apple Pay, Google Pay, and WeChat Pay.
- You can take payments in most countries and currencies, and exchange currencies within your Wallet at your preferred timing.
- Get instant online access to your Wallet and Global Account, see all transactions, and minimize fees.
