Education Webinar – Attendee Financials

Our March Education webinar was all about helping you create and customize your attendee invoicing and payment – including invoices, receipts, credit notes, split payments and more. We're just compiling the Q&A now and you can watch the recording (and see previous webinars) by visiting our [Education Webinar Library](#).

Want to be on our webinar mailing list? Email education@eventsair.com

Version & platform updates

Ready to move up to First Class?

Your EventsAir environment is about to be upgraded for greater security & reliability!
You may need to make small adjustments to your set up.

[Learn now the upcoming Azure migration may impact this feature, and what actions may be needed.](#)

AirWaves returns in April

We look forward to seeing you in April – stay tuned for your email invitation. You can see summaries of previous AirWaves webinars and read our blogs [here](#).

AirTime survey – thank you for your input!

We're planning our 2024 event and look forward to being able to tell you more very soon!
